### Some helpful hints for students as they prepare for remote learning:

- Create a workspace that is away from distractions, if possible.
- Keep all your materials in the same place so they are easy to find when you need them. Include a water bottle close by.
- Check your @mpsdnj email daily.
- Ask your teachers for help when you have questions!

If you have any questions, please email either of your **House 4 Leaders**:

Mr. Gannon @ [jgannon@montclair.k12.nj.us](mailto:jgannon@montclair.k12.nj.us)

When we return to In-Person Learning, please consider the following additional items:

<b>GENERAL MUST-HAVES</b>
1-2 masks/face coverings (always good to have an extra)
1 pack of tissues and 1 bottle of hand sanitizer – we are asking each child to keep their own “travel” size of these in their backpacks to minimize sharing in the classroom.
If you are able to donate tissues, hand sanitizer or disinfecting wipes for our classrooms, we would greatly appreciate any additional supplies as well!
