

We hope you had a restful summer and are excited for the new year! We welcome all new and returning families, and we look forward to “meeting” everyone in September. Below is a list of the House 5 supplies for this year.

*Special Notes*

- If your child **does NOT** have a **specific teacher** listed below, the supplies may be different (please check with the specific teacher).
- If students have any supplies that can still be used (e.g. good condition binders, etc.), we encourage you to reuse when possible.
  - *There is no need to purchase all new materials if you have items in good condition.*
- Try to have your supplies ready to go by mid-September, or simply notify your teacher if you need more time to get supplies.
